

Dell Latitude 7220 Rugged Extreme Tablet

Peak performance with military-grade durability

A great choice for vehicle workshops that use Autocom diagnostic software CARS and/or TRUCKS. Work faster, anywhere. The lightest and most powerful 11,6" fully rugged tablet on the market.

Tablet suitable for any vehicle workshop

If you need a rugged tablet to your vehicle diagnostic solution, this is the one. A combination of powerful technology and military-grade durability. Maximum protection against dust, dirt and water ingress, as well as a full sunlight viewable screen. Ready to take on practically any working area.
